

LUTHERAN COUNSELING & FAMILY SERVICES OF WISCONSIN

MISSION AND VISION STATEMENTS

MISSION STATEMENT

Lutheran Counseling & Family Services of Wisconsin is a non-profit, state licensed outpatient mental health care agency and adoption service provider, serving the State of Wisconsin. Our licensed therapists and psychologists provide counseling to children, individuals, and families regardless of race, ethnic background, or religious affiliation.

VISION STATEMENTS

Family Support Vision: To provide education, support, motivation, information and networking services for both high need and developing families by encouraging family interaction and teaching problem solving models to help families learn how to live together better.

Child Welfare Vision: To provide preventative services, advocacy, public education, Christian centered adoption, child/youth development, intervention, single parent counseling, therapy for adolescents and child placing services to children who are at risk.

Elderly Service Vision: To network and collaborate in providing education, counseling, intergenerational communication and referral services to elderly living at home and in community based settings, as well as to their families.

Mental Health Vision: To provide Christian oriented counseling and social work services to individuals and families throughout the state of Wisconsin regardless of age, culture, color or economic status, funded by private and charitable support and with a sliding insurance scale.
